Subject: Assessment preparation

TO: IT Department, Assessment Coordinator, Head of Arabic and the parents if applicable.

A.B.T assessment is an online assessment for Arabic as the first and an additional language and Islamic Education for Arabs and Non-Arabs.

There is part of Speaking in Arabic and Holy Quran recitation – so we need to give access to the microphone when we are using A.B.T Apps.

- Headphones including the microphones must be available during the assessment.
- Arabic keyboard must be available.
- You can download the apps directly from the website.
